Parent or Legal Guardian Permission

By its nature, participation in the interscholastic athletics includes risk of injury which may range in severity from minor to disabling to even death. Although serious injuries are not common in supervised school athletic programs, it is impossible to eliminate the risk. Participants can and have the responsibility to help reduce the chance of injury. Players must obey all safety rules, report all physical problems to their coaches, follow a proper conditioning program and inspect their own equipment on a regular basis.

By signing this Agreement Form, the parent/guardian gives permission for his/her son/daughter to participate in the athletic program with the understanding there is risk involved.

Parent/Guardian Section:

I have read and fully understand that:

1. My son/daughter must abide by the Athletic Code and the special rules and regulations that govern athletes and failure to do so may result in the denial to participate.
2. Participation in athletics involves an element of danger and risk of personal injury.
3. My son/daughter may accompany any school team of which he/she is a member on its local or out-of-town trips.
4. In case of an emergency my son/daughter may be treated, I hereby authorize an adult leader of this activity, as agent for me, to consent to any x-ray examination, medical, dental or surgical diagnosis, treatment or hospital care that is advised and supervised by a physician, surgeon, or dentist (as appropriate) licensed to practice under the laws of the state where the services are rendered, either at a doctor's office or in any hospital. I expect to be contacted as soon as possible.

Having read all of the foregoing information, I agree and give my consent for my son/daughter to participate in the Woodland Christian School Interscholastic program.
