2010-2011 ELEMENTARY MIDDLE SCHOOL

Dear Parents,

Thank you for considering Woodland Christian School for your child's education. We consider it a privilege to provide a well-balanced Christian education that focuses on the development of your child academically, spiritually and socially. Our highly qualified Christian teachers are committed to that goal through the application of spiritual truth in a dynamic learning environment. For that reason, our teachers emphasize the importance of individual instruction and encourage your child to build on their strengths and to improve on their weaknesses. All of this takes place in a safe and academically challenging environment.

Enclosed you will find information about our school. Please contact the elementary school office with any questions. We would love for an opportunity to share our program with you in person and provide a tour of our campus.

Sincerely,

A handwritten signature in black ink that reads 'Justin Smith'.
