## 2010-2011 HIGH SCHOOL

Dear Parents,

This admission packet provides you with information regarding Woodland Christian School and the educational programs we offer High School students. This period of your child's education is an important transition from childhood to adulthood and ultimately, independence. By the time they graduate from high school most students have their driver's license and many are employed. Our program offers students structured academics and experiences where they can develop a variety of competencies and gain the confidence to use them.

Why is WCS the right school for you? We offer:

### ***A Distinctively Christian Environment***

- Devotion to educating our students from a Christian perspective based on biblical principles.
- A caring and committed Christian faculty concerned about your student's education where Christ is honored and academic success is their goal.

### ***Solid Academics***

- The high school offers three curriculum tracks.
- A tailored program for your student's current needs and his or her college career goals.

### ***Relationships***

- Friendships last a lifetime with peers, teachers and mentors from the broader WCS community.

### ***Accessibility to a Wide Range of Experiences***

- A well rounded CIF program of athletic competition
- Fine arts and performing arts
- Student leadership
- Social activities
- Participation in multiple areas of interest

The combination of these factors defines our school. We are confident, as we move toward graduation each year, that our high school students will be well prepared to enter colleges and universities around the country. Most importantly, however, we look forward to witnessing how the Lord will work in their lives. We invite you to become a part of the Woodland Christian School family.

In His Service,

A handwritten signature in cursive script that reads 'Mr. Doug Brown'.
